# Enjoyment at your command with the Targa 48 OPEN

# Interiors for luxurious entertaining

In the spirit of building the perfect yacht at every possible level, we have also carefully created four different interior design schemes for you to choose from:

## AMALFI

Inspired by Liguria's local architecture, this scheme exudes the sunny warmth synonymous with fragrant Italian lemon trees and the umbrella-lined shores of the Amalfi coast.

## CAPRI

Understated, earthy colours, effortlessly combined with rich natural textures. All the hallmarks of an interior design collection that is as gentle as the Mediterranean breeze.

## HAMPTONS

Evoking elegant vintage design cues, whilst offering a bold and contemporary interpretation of the luxury that was once the preserve of America's East Coast.

## ST. TROPEZ

An ode to the sea where all manner of deep, oceanic blues tastefully swirl with muted greys, delicate creams and classic nautical motifs.

Whilst every effort is made to keep all sales literature up to date, it should not be regarded as an infallible statement of current specifications and does not constitute an offer for the sale of any particular boat. We continually seek to improve the specification and design of our boats, so alterations and upgrades to specifications take place continually.

Appointed dealers are not agents of Fairline Yachts Ltd and are not authorised to commit Fairline Yachts Ltd by any express or implied undertaking or representation.

Performance Figures: Power quoted in our literature for diesel inboard engines is crankshaft output.

Performance Estimates: Performance estimates are given in good faith, but are in no way guaranteed for any particular model. Dirt on the bottom of the boat, damage to the propellers, engine tuning, external water and air temperatures, and the weight of the crew, fuel and water carried can all adversely affect performance. For those and other reasons we can give no performance guarantees.
